Second Surveillance

Third Surveillance

Wang Xiaodong

General Manager, Wang Xiaodong

Initial certification shall be conducted within 12 months from the date of issuance of the certificate. Thereafter, surveillance audits shall be conducted at least once every calendar year (except the year of recertification), and the interval between the surveillance audits shall not exceed 15 months.

The certificate holder must conduct surveillance audit regularly and the registration on certificate continues effective after the eligible surveillance audit. Where the certificate holder has been attached to the registration certificate after the eligible surveillance audit.

Where the certificate holder involves administrative licensing or national compulsory certification requirements, this certificate will become invalid with the expiration of the relevant administrative license or national compulsory certification certificate.

Hangzhou WIT Assessment Co., Ltd.

No. 175 Jianghong Avenue, Binjiang District, Hangzhou

First Surveillance

The first surveillance after the issuance of the certificate shall be conducted within 12 months from the date of issuance of the certificate. Thereafter, two surveillance audits shall be conducted at least once every calendar year (except the year of recertification), and the interval between the surveillance audits shall not exceed 15 months. The certification organization shall conduct surveillance audit. Where the scope of certification changes, the certificate shall become invalid with the implementation of the change.
