

关于产品质量指标提升的告知函

Notification Letter on the Improvement of Product Quality Indicators

We adhere to the spirit of **Quality First and Customer Foremost** and have always been committed to providing high-quality products and services to our customers. We are delighted to notify you that, in order to further enhance the competitiveness of our products, lead the industry development, and meet the demand for product quality improvement, the products involved and the improved quality indicators are as follows.

Assembled Boxing Gloves

The original variation of assembled boxing gloves was $\pm 5\%$ to $\pm 4\%$. After this improvement, all assembled boxing products will have a variation of $\pm 4\%$.

for 960, 960A and 988A.

2. Break in strength: The indicator will be improved from >0.40 N/ton to

3. Volume density: The indicator will be improved from <0.96 to >0.96

Chopped Strand Mat Product

Area: >0.96 m²/ton

Break in strength: >0.40 N/ton

Volume density: <0.96 m³/ton

Weight: >0.96 m³/ton

Weight: >0.96 m³/ton

Weight: >0.96 m³/ton

Weight: >0.96 m³/ton

Weight: >0.96 m³/ton

Weight: >0.96 m³/ton

Weight: >0.96 m³/ton

Weight: >0.96 m³/ton

Weight: >0.96 m³/ton

Weight: >0.96 m³/ton

3. Warp-wise breaking strength: Will be improved for 30 specifications.
4. Weft-wise breaking strength: Will be improved for 28 specifications.

We plan to gradually implement the improvement of the above product quality indicators starting from January 2024, covering our company and its subsidiaries at all levels (including the following).

In 2023, we will continue to improve our product quality by strengthening our quality management system and will issue the testing reports for products manufactured according to the improved quality indicators. If you have any questions, please feel free to call our customer service department at any time. We will continue to support the development of the domestic textile industry at home and abroad with high-quality products and services.

Thank you very much for your understanding and support!
